

THE TRAGIC STORY OF AN ALCOHOLIC CHIMPANZEE!

HONZO'S STORY BEGINS IN CAMEROON, WHERE HE WAS A NORMAL AND HAPPY CHIMPANZEE

IN 1952, HONZO WAS BROUGHT TO VIENNA, AUSTRIA, WHERE HE WAS PUT ON DISPLAY AT THE LOCAL ZOO.

HONZO WASN'T VERY HAPPY, AND BEGAN ATTACKING THE OTHER CHIMPS. YES, HE WENT APESHIT!

TO PREVENT MORE VIOLENT OUTBREAKS, HONZO WAS REMOVED FROM THE OTHER CHIMPANZEES, AND WAS PUT INTO SOLITARY CONFINEMENT.

TO KEEP HONZO FROM "GOIN' BANANAS," HONZO WAS GIVEN BEER AND CIGARETTES. HE QUICKLY DETERIORATED, AND DIED SHORTLY THEREAFTER.

CHIMPANZEE (PAN TROGLODYTES)
IN HIS NATIVE HABITAT

HONZO'S BODY WAS STUFFED AND PUT ON DISPLAY IN THE VIENNA NATURAL HISTORY MUSEUM, WHERE HE REMAINS TODAY!

IF THERE'S A POINT TO THIS STORY IT'S THIS:
WHILE HONZO MAY NOT HAVE BEEN HUMAN,
HE CERTAINLY WAS AUSTRIAN!
